Penn Mahoning Ambulance Association, Inc. was founded in May 1969. We are proud to continue to serve West Penn residents and surrounding areas when seconds count.

Volunteerism has become almost nonexistent, forcing ambulance organizations to have **paid crews**, which drains the organization's funds. Many local organizations have closed their doors over the last few years due to the inability to pay staff.

Every time one ambulance organization closes, another has to drive even further to get to you, the patient, increasing response times until help arrives at **your emergency**. Help us stop this from happening where you live! **We need your financial support.**

Our crews are dedicated, trained professionals. Unfortunately, staffing a basic life support ambulance 24/7 with our dedicated, trained professionals costs over \$250,000 annually.
